

Breaking News

We're pleased to announce a partnership between Design2Cam and W & R Jack Ltd (Jacks) to provide ongoing sales and support for PRO100. Software support will continue to be provided by Anthony from Design2Cam, while all sales and administration – including invoicing – will now be carried out by Scott Villis at Jacks.

This new partnership is designed to ensure continued prompt and effective support for PRO100 users, while maintaining the availability of software, upgrades and ongoing training for existing and new PRO100 customers throughout New Zealand.

**For all enquiries, including software support,
please call:
0800 PRO100 (0800 776 100) or 09 419 7362.**

For any questions or further details please don't hesitate to get in touch.
